CONSOLIDATED ORDERS DUE IN WASHINGTON, D.C., AUGUST 17

This copy of Smokey Bear's 1985 Campaign Catalog and Order Form is to be used in ordering 1985 Cooperative Forest Fire Prevention (CFFP) materials. These materials may be mailed directly to the National Forests, Regions, Area or States as you indicate on the order.

States should forward their orders to the appropriate Region or the Area office where orders will be combined and sent to Washington. Consolidated orders for Region 9 will include National Forests, and States in Region 9 will be consolidated by the Northeastern Area. All other Regions will consolidate orders for National Forests and States.

The freight addresses and number of standard packs ordered should be typed or printed legibly on Form AD-156. No orders will be shipped to P.O. boxes. It is important that total quantities be shown as number of standard packs. The item ordered, number of standard packs ordered, and the freight address are to be listed on a separate form for every item ordered. These forms are to be sent along with the consolidated order to Washington for our use in ordering materials.

If there is difficulty in obtaining items from vendors, you will be notified. Prices quoted are our best estimates of break-even costs and include prepaid delivery charges. Materials ordered will be obligated against FY 1985 funds and the Washington Office will request transfer of the full amount obligated early in FY 1985.

Please contact Patsy Cockrell, (703 or FTS) 235-8160, if you have questions relating to your 1985 order.

The National Association of State Foresters (NASF) will distribute their 1985 Catalog to State forestry offices. This NASF Catalog contains some of the same standard items found in the Smokey Bear Catalog. States may order direct from NASF but Federal regulations prohibit any purchasing from NASF by Federal agencies.
